"The Best Institute of ANIMATION, VFX, GRAPHICS DESIGN, WEBSITE  
DESIGN"

@animacrewedu

# JOINING OUR AFFILIATE PROGRAM

With strong industry connects and affiliations, AnimaCrew Education "Institute of Animation & VFX" has been designing academic courses that are relevant, imparting skillsets that make students highly employable. AnimaCrew Education students are placed as Graphic Designers, Web Designers, 2D/3D Animators, 2D/3D Designers, AV Editors, Technical Trainers, 3D Modelers, Multimedia Programmers, Compositors, Visualizers, Content Developers and Pre and Post Production Executives in blue chip animation studios and entertainment companies.

The Animation degree will unleash your creativity while immersing you in industry-standard workflows. You'll dive into every aspect of the animation pipeline, from directing and producing to concept, character design, 3D modelling, visual development, animating and even post-editing & sound design.

## How does it work?

@animacrewedu

# SET UP A CENTRE PROGRAM

AnimaCrew Education is a pioneer, trendsetter and a global leader in the animation and non-formal academic curriculum-based training. Arena's business expansion and success have been driven by our business partners. We are currently looking for partners who wish to set up their own AnimaCrew centres.

AnimaCrew Education offers career & professional training in areas including animation, VFX, gaming, web & graphics design, UI-UX, broadcast, digital advertising & marketing, and multimedia.

## WHAT WE OFFER

As an AnimaCrew Education business partner, you gain exclusive access to a globally recognized brand and a proven business model designed for long-term success. We provide:

- **Brand Rights:** The right to operate under the globally recognized AnimaCrew Education brand name.
- **Centre Setup Support:** Complete technical guidance to set up and operate your AnimaCrew Education centre.
- **Business and Marketing Assistance:** Support in pricing, marketing strategy, and staff training to ensure smooth operations.
- **Sustainable Revenue Model:** A mutually agreed revenue-sharing structure that drives profitability.
- **Course Content & Teaching Aids:** Industry-relevant curriculum, teaching materials, and periodic content updates.
- **Technology & Tools:** Access to our centre automation software, operational manuals, and web-based learning portals.
- **Student Engagement Events:** Participation in high-impact industry events designed to engage students and boost brand visibility.
- **Ongoing Business Support:** Continuous technical and marketing support to help your centre grow and succeed.

With AnimaCrew Education, you don't just build a business — you become part of a leading global brand that empowers students to learn from the leaders and prepares them for successful careers in the AVGC-XR industry.
